

RightStart

Outcome-Based Career Coaching Program for Young Adults

EMPOWERING YOUR POTENTIAL, GUIDING YOUR PATH

RightStart is designed to assist recent college graduates, young professionals, and career changers in identifying their career goals and developing the skills and strategies necessary to achieve them.

Program Outcomes:

- Enhance your self-awareness and discover your true authentic self using the Ikigai framework
- Create a meaningful career development plan aligned to your Ikigai results
- Gain insight into your interests and capability
- Customize thematic career targets
- Develop stronger confidence in your ability to impress job interviewers and negotiate the pay you want

Fundamental Elements of Program

Individualized Approach

- Discover the career path that is right for you using the Ikigai framework
- Explore the four dimensions that make you unique using Personality Assessment
- Learn how to leverage your interests and passion in 1-on-1 coaching sessions

Interests Development

- Find out how to tap on your areas of interests and passion to develop yourself
- Discover your mission for your career
- Learn how to fulfill your passion and interests in life and work

Competencies Development

- Understand how to develop yourself in the areas of competencies identified
- Differentiate what it means to embark on profession versus a vocation
- Explore job market essentials in career development

RightStart offers two programs that you can choose from: Career Explorer and Career Explorer⁺.

They are designed to meet the unique needs of young adults, from fresh graduates to professionals just starting out in their careers. Whether you need personalized coaching and support with identifying your career goals, or want to learn how to land your dream job, we've got you covered.
